

Life has no validity unless it can project itself into the future, can ripen and progress. -*Albert Camus* I wish that some one would give a course in how to live. -*A. Edward Newton* A sound mind in a sound body is a short but full description of a happy state in this world. -*John Locke* Youth is life as yet untouched by tragedy. -*Alfred North Whitehead* Be not afraid of life. Believe that life is worth living, and your belief will help create the fact. -*William James* The life which is unexamined is not worth living. -*Socrates* A thing is important if anyone think it important. -*William James* God gave them Youth, God gave them Love, and even God can give no more. -*Ridgely Torrence* Mix a little folly with your wisdom; a little nonsense is pleasant now and then. -*Horace* A little barn well filled. -*James Hook* Without music life would be a mistake. -*Nietzsche* The whole art of living is only the art of waiting for the moment of crisis. It is to live for the purpose of satisfying it afterwards. -*Anatole France* To know is nothing at all; to imagine is everything. -*Anatole France* Man is not the creature of circumstances. Circumstances are the creatures of man. -*Disraeli* The only way to know is to have lived and loved and cursed and floundered and enjoyed and suffered. -*Henry James*

# Arrowhead '67

The spirit of adventure pervaded NCHS during the year 1966-67. We set challenging goals for ourselves and made great strides, almost reaching them in every case. In the annual national high school math contest, Naperville was ranked as second of over three hundred schools that participated in Illinois. The cross country team ran a close second in the state finals, losing the first place honors by only seven points. Another victory was missed by a hair when Naperville's first *It's Academic* team fought with Riverside-Brookfield and Oak Lawn high schools. The music department tried a new venture with the staging of the entire musical, *Where's Charley?*

The weather had no trouble in breaking records this year, as Naperville was caught in the biggest snowstorm ever to hit the Chicago area (not officially a blizzard, by the way, because temperatures did not drop low enough). NCHS closed for the first time in its history from one o'clock on Wednesday, January 25 until the following Monday morning. Twenty-nine hours of constantly falling snow left us with twenty-three inches on the ground.

This year we also welcomed a new principal, Mr. Charles Mattka, who came to us from Niles West High School, where he was assistant principal. The senior class wills him this "second-place" school in the hopes that next year he will raise Naperville up one step to the top.

## Danielle Pothier

This year, NCHS was host to a girl from Ramoulie, France: our AFS student, Danielle Pothier. Those of us who knew her will always remember her as bubbly and vivacious, always interested in American customs and expressions.

Whether in informal conversation or while speaking before an assembly, Danielle represented her town and nation faithfully and well. Talking with Danielle made us anxious to see the world and its peoples. We all admired Danielle's ability to communicate in English and to fit in with the students at NCHS. At the AFS assembly she stated that after five months in Naperville, NCHS was her school. We're proud of her being *our* AFS student.

All of the students at NCHS wish Danielle good fortune in the coming years. She will be long-remembered in Naperville as she has come to occupy a prominent place in our hearts.

# It's Academic

Saturday, February 25, 1967, seniors Dan Haas and Nancy Lawroski and junior Joe Woodward represented NCHS in a taping for *It's Academic*, a television quiz show. Dan acted as team captain when the three competed with students from Riverside-Brookfield and Oak Lawn high schools. The final scores were: Riverside-Brookfield, 300; Naperville, 280; and Oak Lawn, 205. Just one question made the twenty point difference between Naperville and Riverside.

The three NCHS contestants were chosen by the team sponsors, English teachers Jack Cohen and Lawrence Ghilardi. From the nineteen students who tried out for the team, six were selected as semi-finalists: the three named above, seniors Kathy Bennett and Betty Borer, and junior Carol Scott. Until they arrived at the Merchandise Mart for the taping, none of the semi-finalists knew which of them were to appear as contestants.

Thirty-eight Naperville teachers, parents, and students, including varsity cheerleaders Gael Bukvich, Debbie McConnell, Sally Nichols, and Mary Ann Stevenson, were in the studio audience to encourage the contestants with applause, whistles, and anguished grimaces.

The show was broadcast on April 8.

## Scholastic Art Award

Chuck Durran won a gold key, the top award, in the Scholastic Magazine's school art competition held in Wiebolt's Oak Park store on February 25, 1967. His entry, a still-life done in pencil, received the additional honor of being marked "blue ribbon" and sent to New York to compete on a national scale.

Ken Juhnke won a first place in the same contest for a pastel.

# National Honor Society

The Naperville chapter of the National Honor Society consists of about five per cent of the top fifteen per cent of the junior class and ten per cent of the top quarter of the senior class. Members are elected by the faculty on the basis of scholarship, leadership, character, and service. The group elected during the junior year plans the induction ceremony for the new members. This year an evening program was held on April 27.

Left to right, front row: Donna Veverka, Barb Schraut, Laura Goodrich, Barb Choat, Suzanne Collins, Gail Vartiak, Sue Schwider, Pam Lidinsky. Second row: Dan Haas, Art Nicol, Mark Gimmelbein, Eric Thiel, Jim Stephens, Rich Upson, Doug Johnson, Mike O'Neal, Steve Seiple, Bill Zoellick, sponsor Edward Schap. Missing from picture: Rosanna Carlson, Jan Hilgoe.

## National Mathematics Contest

Left to right: Steve Winker, 101 points; Mike Henderson, 93.5 points; Dan Haas, 49.5 points; George Moss, 47.25 points; and contest chairman Richard Nelson.

NCHS ranked second in the Eighteenth Annual High School Mathematics Examination, in which over 300 Illinois schools participated. Naperville reported in with 244 points, only five points behind the winning school.

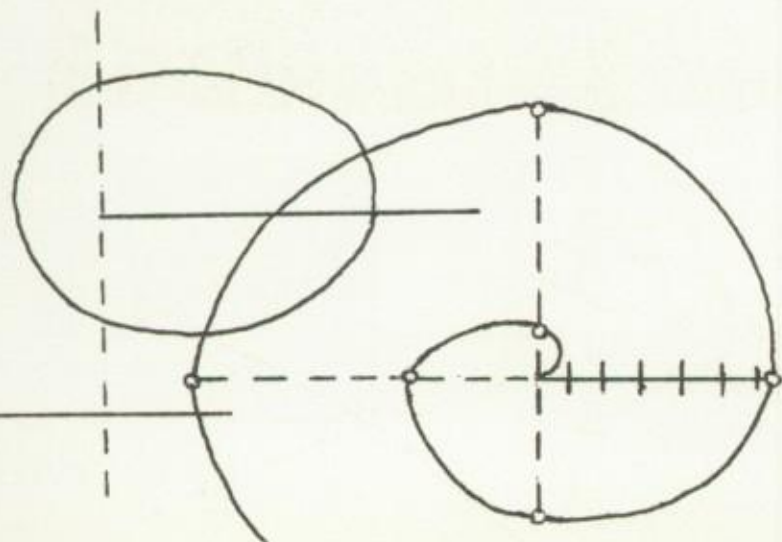

Juniors Steve Winker and Mike Henderson, with scores of 101 and 93.5 respectively, made Naperville the only school in the state with two honor students (contestants with 80 points or more). There were only nine such students in the entire state this year. Dan Haas, senior, added 49.5 points to the scores of Steve and Mike to make Naperville's team score.

The top individual in the state received 104.25 points, correctly answering only one more question than Steve, who placed second, followed closely by Mike, who was third. Last year Mike was sixth and Steve eighth, helping Naperville to rank sixth in the state.

Other high scorers of the 186 Naperville students who took the test were George Moss, junior, with 47.25; Jim Stephens, senior, with 44.25; and Bill Zoellick, senior, with 42.25.

The contest, taken on March 9, 1967, was sponsored by the Mathematical Associates of America, the Society of Actuaries, and Mu Alpha Theta, and consisted this year of forty problems increasing in difficulty and point values. One-quarter of the value of wrong answers was subtracted from the scores to eliminate guessing, and it was not impossible to receive a negative score.

NCHS has been participating for six years, but preparation was somewhat more extensive this year with semi-weekly drills conducted by Mr. Richard Nelson and Mr. Kenneth Roll for several weeks before the contest.

Left to right, first row: Bette Borer, Laura Goodrich, Kathy Bennett, Connie Palmer. Second row: Art Nicol, Bill Luxion, Bill Zoellick, Bill Field. Steve Keller missed the picture.

## National Merit Qualifying Test

A semi-finalist in the National Merit Examination, taken in the spring of the junior year, competes for one of 2500 scholarships, ranging from \$100 to \$1500, depending on financial need. The competition is based on high school grades, extra-curricular activities, school leadership, and citizenship.

Naperville had a record number of semi-finalists this year, making up 2.4% of the senior class. The semi-finalists together with the commended students, who missed semi-finalist rating by only a few points, comprise 7.5% of the senior class. The commended students were Rosanna Carlson, Georgia Fink, Dan Haas, Bobbie Hansen, Mary Heiberg, Tinney Humphreys, Doug Johnson, Joe Kratville, Nancy Lawroski, Steve Lottes, Mike Molloy, Chris Murray, Donn Rademacher, Steve Seiple, Jim Sika, Luaine Swanke, Kevin Taecker, Eric Thiel, Chandra Ulom, Rich Upson, and Donna Veverka.

## State Music Competition

Those who received "superior" ratings in the state music competition held on March 11, 1967, were the A Madrigal singers; Tinney Humphreys, Linda Paxton, and Pam Lidinsky in a flute trio; Tinney Humphreys, Nancy Diller, Art Nicol, and Brenda Lamberton in a woodwind quartet; Art Nicol, Boyd Dean, Gary Groh, and Larry Lidinsky in a clarinet quartet; Claire Zelle, Lynn Szymaniak, Chris Snyder, and Cheryl Knobbe in another clarinet quartet; Larry Pedersen, Jim Morrison, Dan Michel, and Chuck Hoesch in a trombone quartet; Dave Wender, Steve Gier, Bob Pedersen, and Paul Schultz in a mixed brass quartet; Jon Hub, Colleen Case, Alan Hall, and Wayne Wilcox in a percussion ensemble; and Dave Wender on the trumpet, accompanied by Michelle Hayes. "Excellent" ratings were received by Sandy Gehlsen and Steve Sheffer in a clarinet duet; Janice Field, Frank O'Donnell, and Kathy Madigan in a flute trio; Rich Hayhurst, Tim Gilbert, Sandy Gehlsen, and Dick Vogel in a saxophone quartet; and the B Madrigal singers.

## 1966 Varsity Cross Country

A rugged practice, final instructions, and the race begins.

9-0

Strength and determination were two outstanding characteristics of the 1966 varsity squad. Dominated by five seniors, the NCHS cross country team remained victorious in every meet. Led by co-captains Gary Barrett and Mark Grimmelbein, Pete Hope, Tom Luthy, and Dave Woodward, Naperville harriers took first place at the county meet, first place at the Rockford Invitational, first place at the Crystal Lake Invitational, first place in the Upstate Eight Conference, and first place in the district meet. Four times the team shut out their opponents by getting the lowest possible score. The final synthesis of the season came with the state meet at the University of Illinois. Naperville placed second in the state with Luthy-15th, Barrett-22nd, Hope-24th, Woodward-31st, and Grimmelbein 32nd. Also participating were co-captains-elect for 1967, Rex Barrett, a sophomore, and junior Scott Dobberstein.

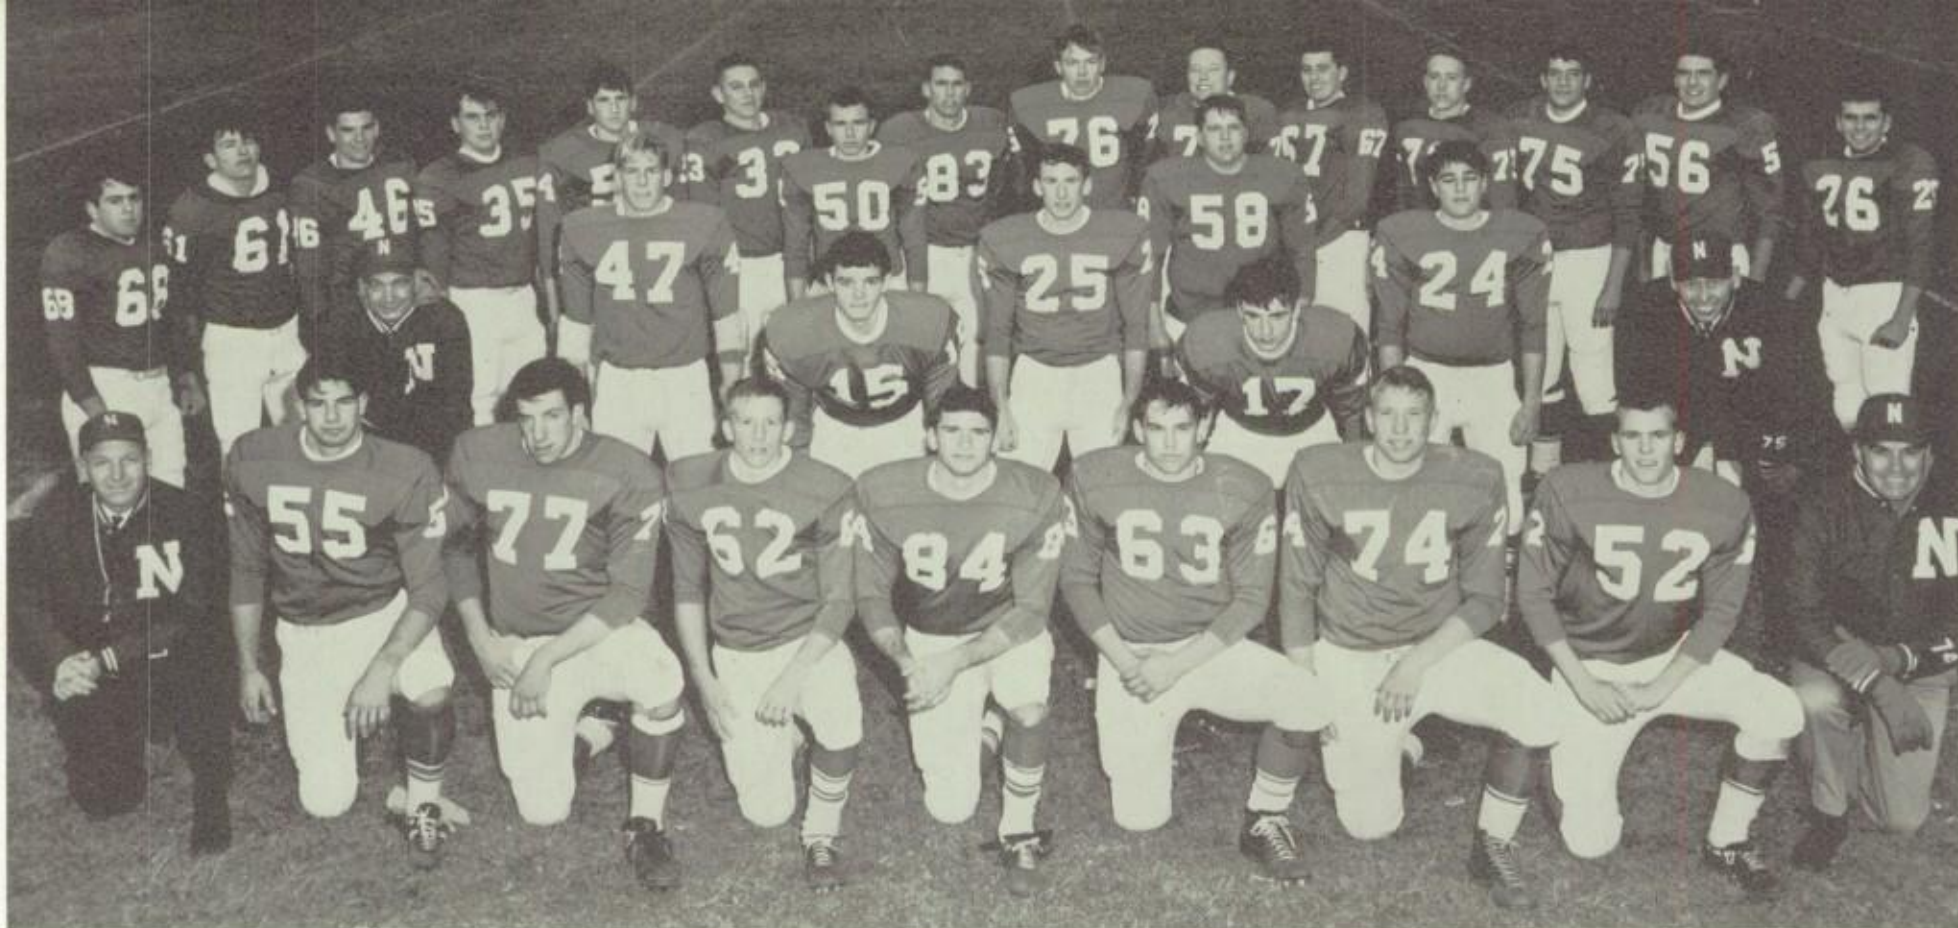

The freshmen-sophomore team had an outstanding record as conference champs with seven wins and no losses and a 9-0 season record.

## 1966 Varsity Football

Coaches Grove, Spencer, Shymkewich, Smith, Grosshuesch, and Jeske look over the season's schedule.

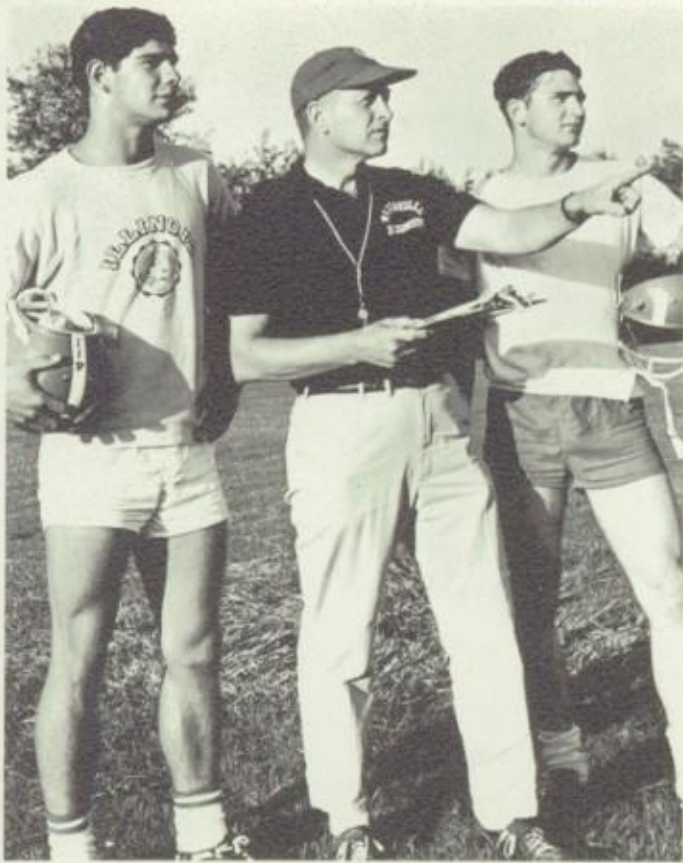

Although the 1966 Varsity football team finished sixth in the Upstate Eight Conference, the record hardly reflects the brand of football they played. The 1966 gridders were not exceptionally big, but they made up what they lacked in size with speed, precision blocking, and just plain determination.

QB Thompson provided able leadership on the field. Place-kicking, a Naperville weakness in seasons past, was handled expertly by Gary Hills, who got himself into the record books by booting two field goals, a rarity in high school football. Linebacker Tom Kupke led the tough Skin defense, and was later awarded the Neil Steibold Trophy for his academic and athletic talents.

Coach Wes Spencer discusses plays with co-captains Gary Winrow and Tom Kupke.

## Varsity Wrestling

Coached by William Young and led by co-captains Mike Drendel and Tom Kupke, the varsity wrestling squad established a 4-3 conference record to finish a strong fourth place in the Upstate Eight competition. They also wrestled their way to a second place in the District Tournament as well as a second in the St. Charles Quadrangular and a third in the Joliet Catholic Quadrangular. Tom Kupke, wrestling at the weight classes of 154 pounds and 165 pounds, posted an outstanding record of 16 wins and 1 loss. He was conference champ in his weight class and District champ. Mike Holt, wrestling at 95 pounds, was also Conference champ. A broken nose knocked Dan Haas, 138 pounds, out of his bid for the Conference Championship.

At the beginning of the 1966-67 basketball season, Naperville entered conference play with one of the smallest teams in the Upstate Eight. At 6-5 junior Greg Villwock was the big man on the squad, and no other Redskin topped 6-3. With such a lack in height, Naperville nearly always faced taller teams. The result was an unimpressive 9-17 record. However, the record does not reflect the excitement and enthusiasm our varsity cagers produced throughout the season.

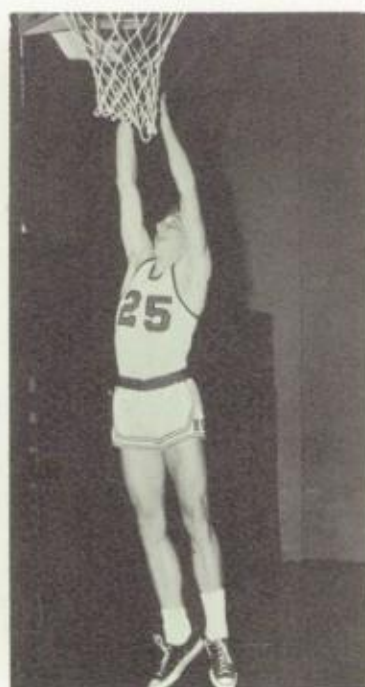

The Redskins played their best ball at the close of the season. After a discouraging stretch when they lost 10 of 11 games, our Redskins bounced back to beat a physically tougher and taller Aurora East team to end regular season play. In the Regional Tournaments, a victory over West Chicago and another success over Aurora East put Naperville in the final game with Aurora West. However, the Upstate Eight champs bested NCHS in a tense, hard fought game.

Gary Winrow and Tom Spahn were the backbone of the Redskins: Winrow with his rebounding and scoring and Spahn with his great jump shot and driving lay-ups. Winrow led the team in scoring with a 12.9 average and rebounding, and he he also earned Honorable Mention in the Upstate Eight.

Prospects look good for Naperville next year with a number of varsity players returning. Mike Spencer, whose .490 percentage from the field was best on the squad, will be back with Jim Drendel, an able backcourt man, and Hib Matter and Greg Villwock, who gained valuable experience at the center position. These players, along with a fine Junior Varsity team, should provide Naperville fans with an exciting season next year.

## Class of 1967

### *Senior Class History*

The year 1963 saw many major events in our country's history. Some of them were: the 22-orbit flight around the world of astronaut Gordon Cooper, the establishment of a "Hot Line" between Washington and Moscow, the birth of the Fischer quintuplets, and the assassination of President John F. Kennedy. Probably the most historically significant event of the year occurred in September when the class of 1967 entered N.C.H.S.

As freshmen we elected Marie Steinbock, president; Bonnie Eisele, vice-president; Nadyne Taylor, secretary; and Barb Shiffler, treasurer. Starting our year with a bang, or rather a splash, we held a successful carwash to raise money for our non-existent treasury. Our class arrived the year that Naperville entered the Upstate Eight Conference, and we were the first freshman class to be hopelessly turned loose in the newly-completed west wing.

More confident, experienced, and determined to be the best, we returned the following September with our officers—president, Steve Weidemier; vice-president, Sue Raden; secretary, Melissa Bradley; and treasurer, Nadyne Taylor. To raise money for our prom, we sponsored a record hop in December, featuring WLS's Ron Riley and The Exports.

Through our first year as upperclassmen, our officers were: Steve Weidemier, president; Mary Ann Stevenson, vice-president; Sue Shabel, secretary; and Debbie McConnell, treasurer. At Homecoming, although we had no parade and were restricted to stationary floats, we worked hard to produce our entry, "Get 'em In The End." In sports the junior varsity football team had a perfect season with seven wins and no losses. Spring gave drama enthusiasts the pleasure of attending the junior class play, *Best Foot Forward*. Our May Queen Gael Bukvich, and her attendants, Bonnie Eisele, Mary Ann Stevenson, Barb A. Baird, and Sue Morrow, were chosen from the Top Twelve. We were the first class to hold our Prom in the Barn, for on May 28, 1966, it had been transformed to fit the theme, "Meet Me At The Fair." It was a combination of 1890 carnival, beer garden, and ice-cream parlor.

With but one crowded year of high school experiences left in the shadow of the future, we threw ourselves headlong into Homecoming activities and came up with the most original idea ever for color day: '67 football jerseys. Our queen, Mary Ann Stevenson, and her attendants, Bonnie Eisele and Marilyn Nicholas, reigned over the week's activities. Although our float, "We Aim to Win," fell apart at the beginning of the parade, it was repaired in time to place second in the judging, while the sophomores took first by the flip of a coin. This year, our cross-country team won almost every meet that came their way, and in Champaign-Urbana at the University of Illinois, N.C.H.S. placed second out of all the high schools in the Illinois state finals. In the class play, "Inherit the Wind," the Scopes trial was recreated with Bob Long and Joe Kratville in lead roles. During our senior year, we welcomed Danielle Pothier as our AFS student from France.

Now we are graduating. As each of us walks up to receive the long-awaited diploma, some remembrance of these four years, a dance or a Homecoming, a class trip or a sports event, will cause us to pause for a reflective moment before looking ahead to the future for which we have been preparing.
